### **NEW TIMETABLES FROM 12<sup>TH</sup> DECEMBER 2010 & 4<sup>TH</sup> JANUARY 2011**

LOROL have now advised that Table 62 (Barking-Gospel Oak) in the recently published 12<sup>th</sup> December to 21<sup>st</sup> May 2011 Great Britain Timetable may not now apply at all and should not be relied upon until they advise further! This is a quite incredible state of affairs, these timetables should have been finalised months ago. We will take advantage of this to press for the reinstatement of the Monday to Saturday 06:25 and 23:25 from Gospel Oak and the retention of the Sunday 23:20 from Gospel Oak. Watch this space; we will post more information when we receive it.

### **CHRISTMAS & NEW YEAR SERVICES ON LONDON OVERGROUND**

Services will close early on Christmas Eve and start late after Christmas on Monday 27<sup>th</sup> December and on New Year's day. LOROL are still unable to provide precise details of the services to run on the Barking-Gospel Oak Line! When we receive these from LOROL we will post them here.
